Assumptions: This document assumes that the student ambassador has basic knowledge of how to use Starrez and the myLife portal.

1. Move-in Dates:

- Freshman and Incoming Students (including transfer and grad students):
August 18-19, 2024
- Returning Students: August 20-25, 2024

2. Key Pickup Locations:

- Freshman and Incoming Students (including transfer and grad students):
 - August 18-19: Parking Lots G and H
 - If keys are not picked up on these dates, they will need to be collected from Grace Watson Hall.
- Returning Students:
 - August 20-25: Grace Watson Hall
- Students living at RIT Inn and 175 Jefferson:
 - Keys can be picked up directly at their respective locations.

3. Move-in Appointments:

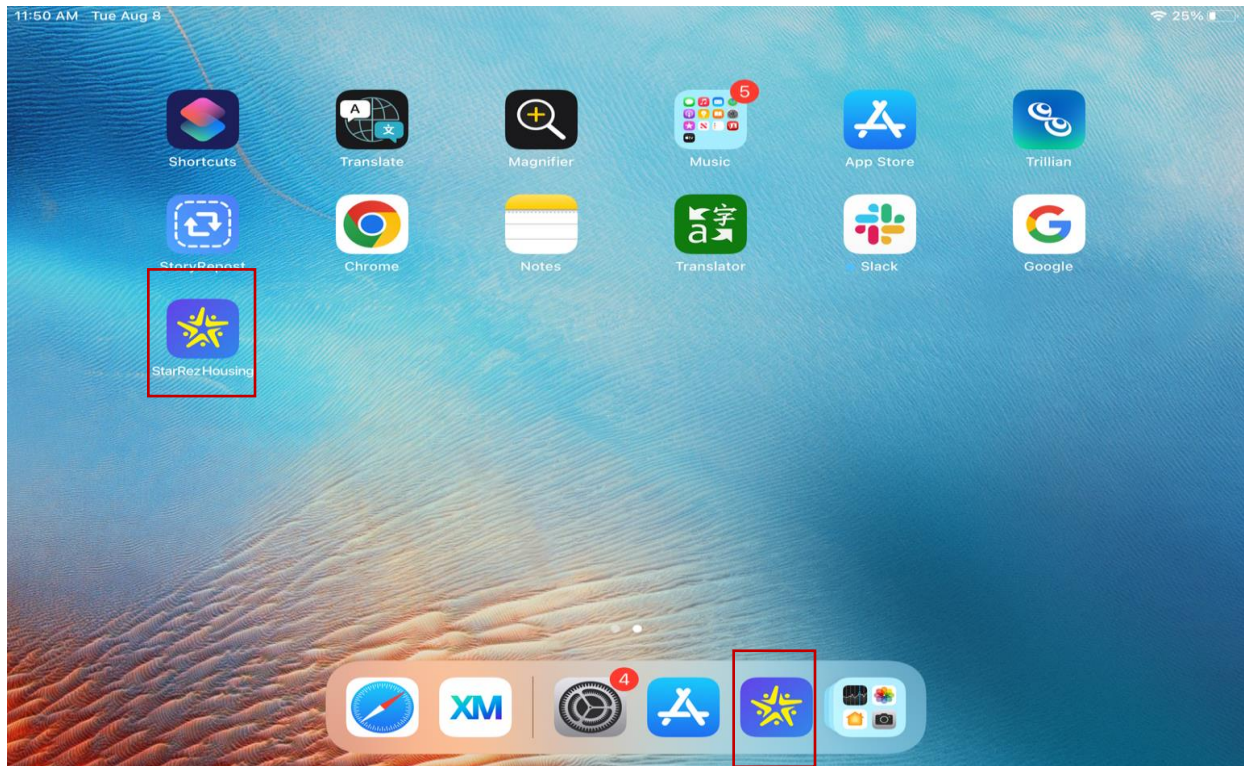

- Freshman:
 - Must have an appointment time to move in.
 - Select your move-in appointment time on the MyLife portal.
- Returning Students:
 - Do not need an appointment to move in.

4. Bed Loftin Requests:

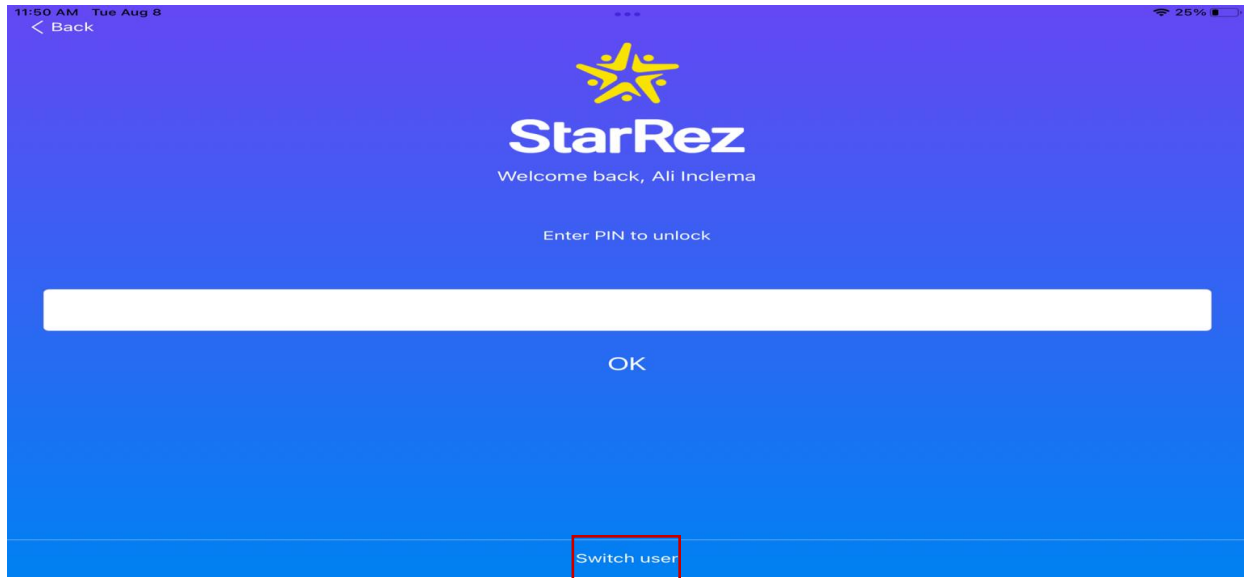

- During move-in, many students may want their bed to be lofted.
- To request bed lofting, students must navigate to the MyLife portal and submit a Maintenance Request.

5. Check-in Process. Every key envelope will have a QR code on it. Follow the instructions below to Fast Check In a student. This process applies to both Freshmen and Returners.

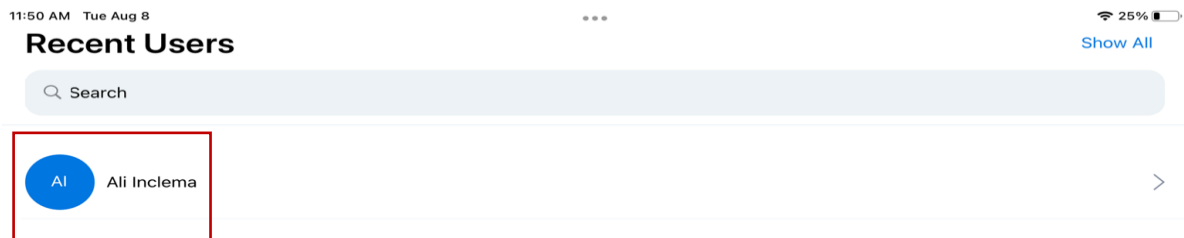

1. To quickly check in-in a student grad an RIT Housing iPad; the password is “TIGERS” or “844377.”
2. Click on the StarRez Housing App

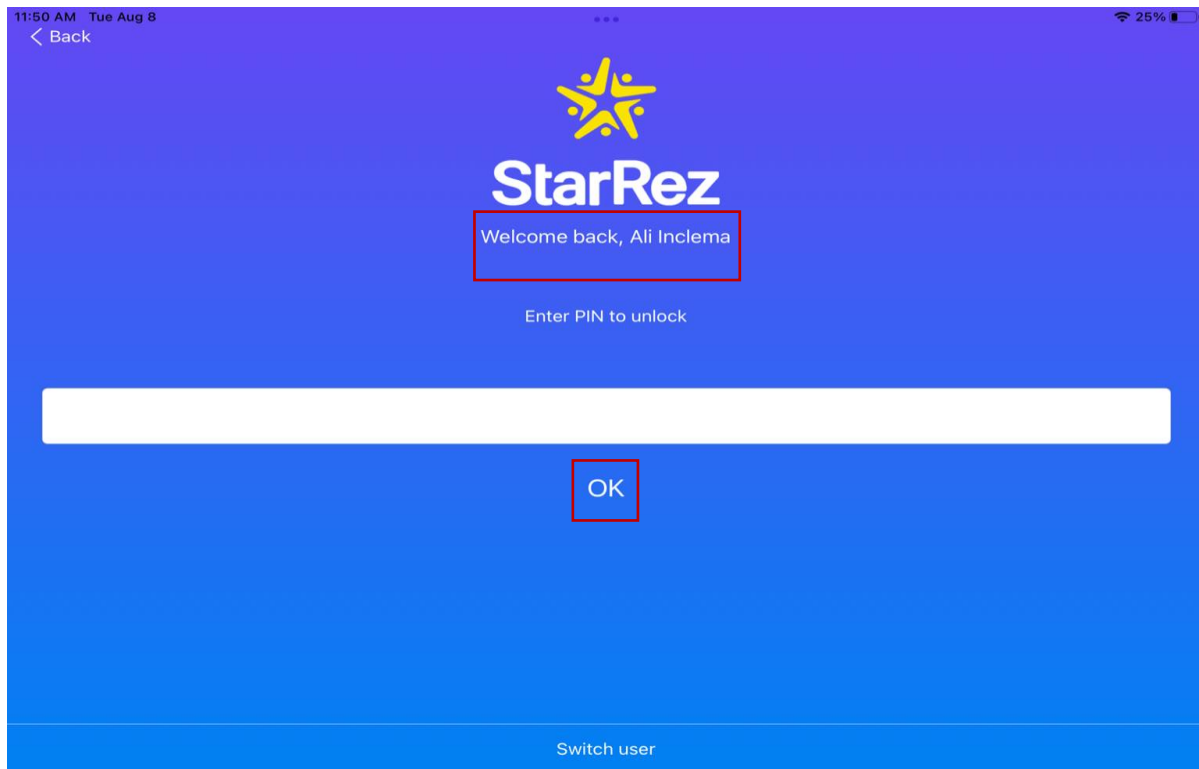

- At the bottom of the page click on “Switch user”

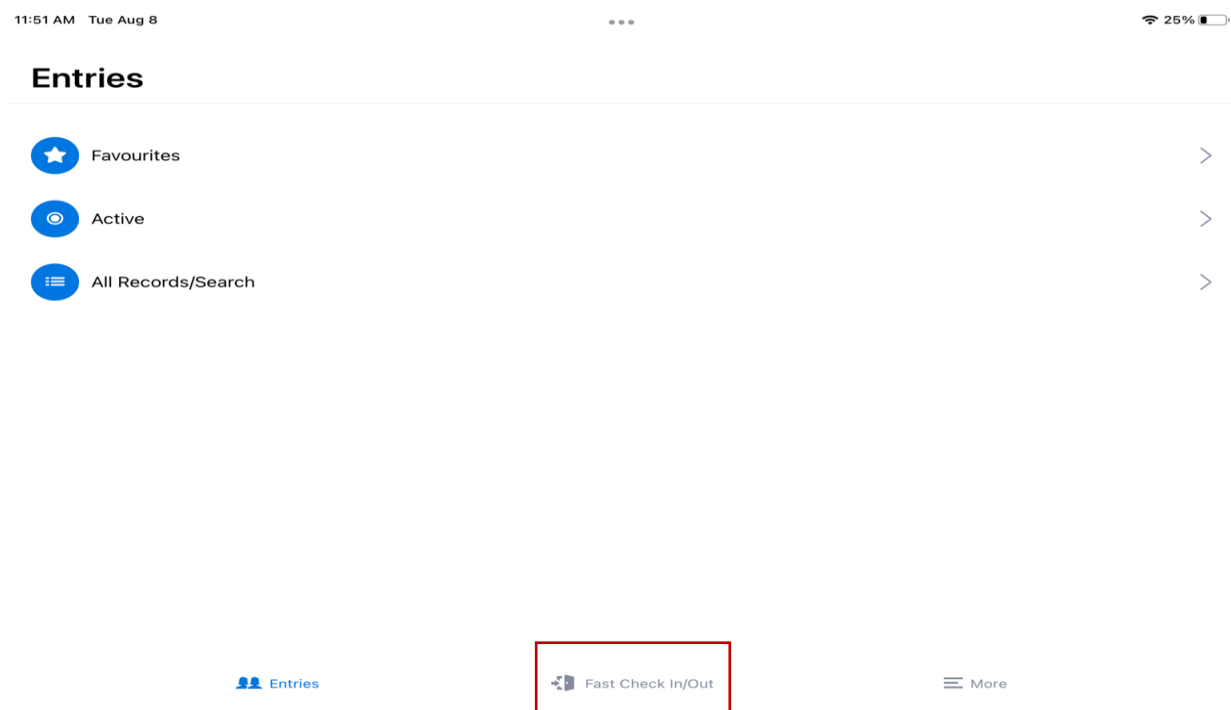

- Type into the search bar “Ali Inclema” and click on her name when it appears.

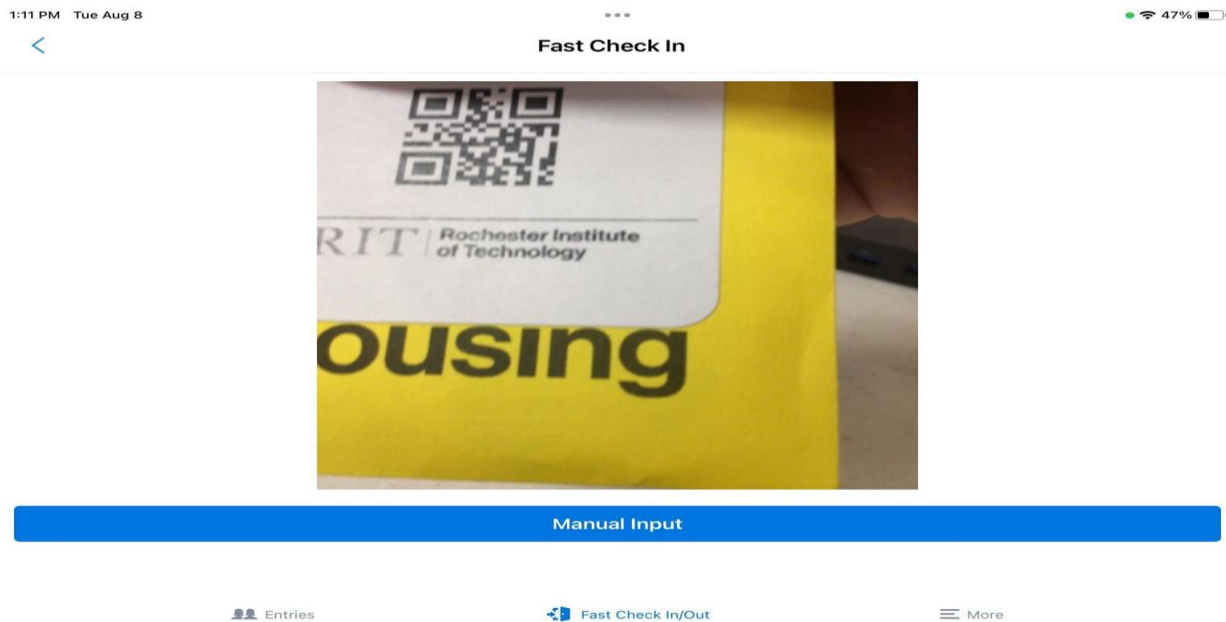

5. Make sure at the top of the screen it says Ali Inclema then for pin, enter “8010.” Then press “OK”

6. At the bottom of the screen, select the “Fast Check In/Out Option.”

7. Select the “check-in” option.
8. A QR code sticker should be on the envelope whether you are handing out the key or taking it. Scan that QR code.

9. If a QR code is not present or not working, you can manually check in/out. Look up the student in Star-rez(See How to Look Up a Student In Star-rez work instruction) and note their UID, a long sequence of numbers. Click on Manual Input and then type in the student UID.

- After successfully scanning the QR code, a screen will appear asking you to issue a key. If you are giving a student a key or if the student is returning a key, mark the key as return. Sometimes, it might ask you to fix the date. Click yes, and then press Continue in the top left corner.
